

Housing Application Pack

June 2010

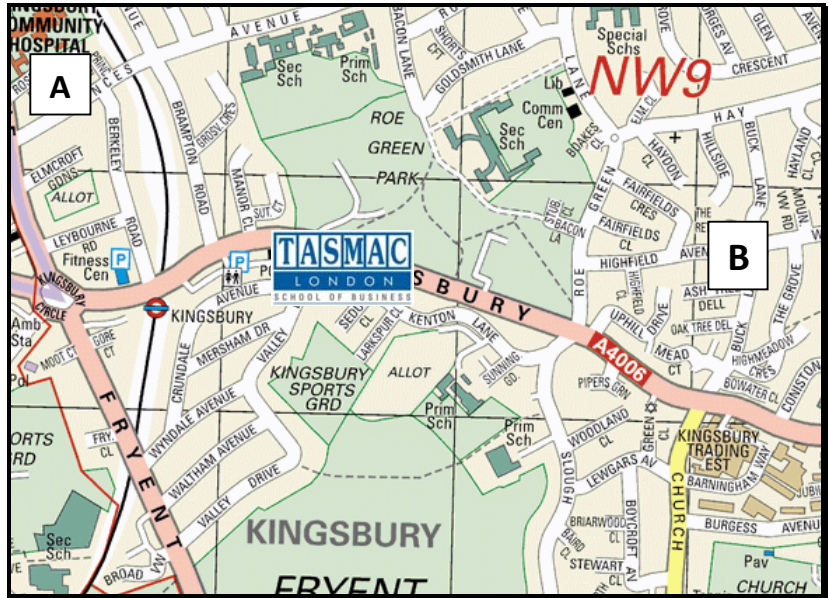

TASMAC London rents houses and flats from property owners and then sublets them to the students. This, we feel, is the safest option for our students and we will guarantee you a place if you make your booking and pay, a minimum of four weeks in advance.

The minimum length of stay is one semester and your room will be available for you 5 days prior to the first week of classes. This will give you enough time to settle in before beginning your course. It also means that you have to book your flights to correspond with that date. We currently have 2 houses available, with the possibility of more properties depending on demand. One property for female students and one for male students. All properties are within walking distance to the school, the tube station and local shopping facilities.

The accommodation includes:

- All bills inclusive
- Central Heating
- Free Broadband internet
- Free Incoming phone calls
- Freeview TV
- Washing Machine
- Cooking utensils and cutlery
- Mattresses, linen, duvets
- Toaster
- Microwave
- Vacuum cleaner

Food is NOT included in the stay
